I certify that all information given is correct, and I understand that it will be verified. I understand that if a

crate (or any other item, such as a play pin, leashes, etc.), is borrowed from Take Paws Rescue, it is to be used for the dog(s) I am fostering and is to be returned to the rescue if at any point I stop fostering, take a break between foster dogs, or at the request of Take Paws Rescue. If the crate (or any borrowed item) is broken/damaged for reasons such as, but not limited to, neglect or improper use, I will be responsible for replacing the item with the same or an agreed upon replacement. I understand that if I commit to fostering a dog, there are usually adjustment periods. If the dog turns out to not be a good, workable fit, I must allow the rescue time to find another suitable foster for the dog before trying to help save another. I understand my responsibility to my foster to provide them with loving, nourishing environments to help them reach their full potential.
